

# Valley of the Moon Water District Landscape Equipment Rebate

for business customers

Improve the efficiency of your existing irrigation systems by taking advantage of the Valley of the Moon Water District’s Landscape Equipment Rebate program. Receive up to 100% rebate on improvements to your irrigation system. Receive 50% of the total rebate at the time of project inspection by District personnel; the remaining amount is paid after one year of demonstrated increase in water use efficiency.

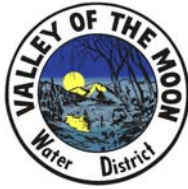

**ELIGIBILITY:**

- Customers eligible for landscape equipment program must participate in a free landscape irrigation evaluation (audit).
- Only equipment recommended during the free landscape evaluation qualify for the rebate.
- Application must be received within six months of installation of water efficient equipment.

- Step 1:** Contact the Sonoma County Economic Development Board at (707) 565-6455 to set up a free water use assessment.
- Step 2:** Report will be generated for you from assessment. Review report; select what recommendation you would like to implement.
- Step 3:** Implement desired recommendations.
- Step 4:** Fill out rebate application.
- Step 5:** Valley of the Moon Water District will inspect the upgraded areas, and if approved payment will be arranged.

50% Rebate	75% Rebate	100% Rebate
Irrigation controllers	Drip Irrigation Equipment	Rain Shut-off Devices
Matched Precipitation Rate Sprinkler Heads	Pressure Regulation Devices	
Sub-meters	Valves	

\*\*All equipment is subject to approval by District staff. Rebates are subject to funding availability. Call (707) 996-1037 for additional information.
